

## Vote by Proxy for Crestridge Association

I, \_\_\_\_\_, do hereby cast my vote that upon  
homeowner - please print full name on line  
dissolution of Crestridge Association, Inc., that we form a voluntary Homeowners  
Association for our community. This Association will consist of only three rules.  
The first rule is that there are no rules other than that of existing laws that pertain to  
all of us as homeowners. The second rule is that only those assessments needed  
to run and operate the utilities and maintenance of our property and community be  
requested from our members and for there to never be any penalties associated  
with failure or inability to pay such assessments. Third and final rule is that there are  
to be no liens placed against any member's property for any reason. The first and  
second rules of this voluntary Association are a little flexible for negotiation among  
members. Time is of the essence, and I am demanding that this matter be dealt with  
promptly. Dated this \_\_\_\_ day of \_\_\_\_\_, \_\_\_\_\_.  
day month year

Please fill in all fields so that Spectrum and/or Crestridge Association cannot find a loop hole in this proxy.
